

Success in the 21st century,
depends less on what you know and more
on what you can do. We are committed to
develop the young minds into leaders of
tomorrow by instilling them with

VIGNESH
GROUP OF INSTITUTIONS

CBSE Schools | Matric School | Polytechnic

Trichy | Koothur | Srirangam | Woraiyur

Today's growing world is fast paced in terms of technology, which has brought the whole world on our grasp. At the outset, our students are not taught what to do. Instead they are learning how to do. Whatever profession they may be into, they will be ingrained with necessary skills and qualities to bring out the best to the society.

Theivathiru. D. Virudhachalam
Founder

V. Gopinathan
Chairman, Vignesh Group

I take this opportunity to remember and recall the dream of our Ayya Theivathiru. D Virudhachalam, the founder of Vignesh Group of Institutions. His prodigious vision in establishing educational institutions to provide quality education to make constructive changes in the society has been made a reality. The aspiration of the aspirant and doyen has come true!

Today Vignesh Group of Institutions provides education of par excellence to all those who aspire. We place all our achievements on record, at the lotus feet of this great man. His dynamism and visionary zeal would enthuse and inspire each and every individual associated with this educational group.

We are thankful to our band of enthusiastic and dedicated teachers for enabling this dream come true. Thousands of students have crossed the threshold of this group with great self confidence. They have bloomed spreading fragrance of positive traits and best of moral values. Since

inception, we have been fetching 100% results in all the Board Examinations. The right choice of teaching - learning strategies are coupled with amenities of international standard. Our alumni are spread over the globe.

Our methodology is more human-centric. We take immense care that one's economic status should not become a stumbling block in the process of acquiring education. We are happy to provide financial assistance in the name of our patron as Ayya. D Virudhachalam Scholarships and is offered every year to deserving students from all our institutions. Several milestones have been crossed and feathers added to our cap, we dream to reach the zenith of success.

Vignesh Group Chairman,
Shri. V. Gopinathan is a renowned entrepreneur and philanthropist who ascends the entire organisation with invigorated efficacy.

SRI VIGNESH VIDYALAYA

Sri Vignesh Vidyalaya offers CBSE curriculum from Grade I to Grade XII which is based upon strong academic roots. We serve the student community with the challenging demands of modern education. Faculty of Sri Vignesh Vidyalaya are with positive minds, motivated hearts, inspired souls and winning actions to bring progress in the dynamic students.

The school has a well-defined campus culture that promotes a high standard of education. We facilitate the children to think rationally and reflect individually. We strive to inculcate

positive discipline amongst the students so that they respect the dignity of others. It's our pride to expose our children to various day-to-day activities which motivate them to raise questions, gather relevant information, interpret problems critically and solve them.

The opportunities and facilities of international standards available in the campus for sports and co-curricular activities leads to the fulfillment of holistic education.

Our School has a safe, civil, healthy and intellectually stimulating environment for making learning process joyful.
